Report of the Overseers of the Poor.

The expenses of the Out Door Poor have been larger than usual, owing to the increase in number and the large amount of sickness.

For a financial statement of the affairs connected with this subject, we would refer to Selectmen's Report.

The Schedule of Property at the Town Farm, as will be seen from the account of the same, is \$393.41 less than last year. We have appraised all the property at the Farm at what we considered a fair cash value. This depreciation is owing to overvaluation heretofore of articles. There has been an increase of three inmates during the past year. The buildings are in better condition than they have been for years.

In concluding this report, we would commend the keeper, Mr. Milton Libby and wife for their faithfulness and efficiency with which they have managed the affairs of the farm and household, and for the care and kindness to those who have been under their charge.

SCHEDULE OF PROPERTY ON THE FARM.

Value of farm,	\$5,000 00	<i>Amount brought forward,</i>	\$7,172 50
5 Cows,	250 00	1 clothes horse,	1 50

LEMUEL W. DYER, { *Overseers of*
 ALFRED R. HUSTON, { *the Poor*
 SOLOMON STUART, { *of Deering*

Report of Supervisor of Schools.

FOR THE YEAR 1885-'86.

DEERING, ME., Feb. 16, 1886.

Fellow Citizens of Deering :

I beg leave to submit the following report :

Some changes have been made in our schools during the year. A new room has been added to our list since last Spring. One more teacher than usual has been employed throughout the year, namely, at Lunt's Corner for two terms. The result of this change has fully justified the recommendations. An assistant was placed at Libby's Corner during the summer term. It is thought to have been a good investment. In all cases the different portions of the town (or such parts as could be reached) have been consulted in regard to employment of particular teachers, and it may be said, the hearty co-operation of the parents has been gratefully received.

Experienced teachers are needed and have been employed in our largest schools, and the same may be said as to the needs of all of our schools.

It can be truly said that all of our teachers have put forth their best endeavors to make their respective school profitable, and they have met with success in most cases.

Some defects in our system may well be spoken of here : Some of the rooms are too much crowded during some parts of the school year, soon some of them must be relieved and it is to be earnestly hoped that some action will be taken about providing a room on the second floor of the school house at Deering Centre; threefold benefit would be derived thereby. The over crowded house at Woodford's can be somewhat relieved. The same may be said of Morrill's, and the citizens of Deering Centre can have a school room at or nearer home. This is an important move in the right direction.

Some special instructions have been introduced into our common schools and the teachers have nobly responded. Our system here, as elsewhere, needs pruning, as the progress of the age demands; on the whole we cannot be too careful, parents, teachers and school officers, lest our schools drift away from the practical elements that are so necessary to scholars whose school benefits are limited.

Our High School is in a flourishing condition. Considerable expense was incurred by being obliged to purchase twenty new desks and to furnish a room with settees; the desks were purchased through the agency of Loring, Short & Harmon, and makes a large item of expense. We were unprepared for this because unexpected at the time money was raised for the High School. An extra assistant was needed and obtained without special provisions therefor. It seems that we shall not overrun our appropriations. If a better preparation be given in the Grammar School for entrance to the High School, a better appreciation of the work in the High School would be obtained.

A list of teachers and their wages per month; attendance of scholars; number registered; also the usual statistics are herewith appended.

The amount of money needed the coming year will depend upon how many extra teachers are to be employed. It will probably require \$500 more than was appropriated last Spring.

TABULAR VIEW OF THE SCHOOLS

FOR THE YEAR ENDING FEBRUARY 16, 1886.

	<u>\$54,300 00</u>				

There will become due the coming year, Bonds No. 76 to 84, inclusive, amounting to \$5,500.00.

I hereby certify that I have examined the several accounts of the Selectmen and Treasurer of the Town of Deering, and find them correctly cast and properly vouched for.

JOHN C. KIDDER, *Auditor*

WARRANT FOR MARCH MEETING, 1886.

TO GRENVILLE M. STEVENS, Constable of the Town of Deering, in the County of Cumberland.

GREETING :

In the name of the State of Maine you are hereby required to notify and warn the Inhabitants of said Town of Deering, qualified by law to vote in town affairs, to assemble at the Town House in said town, on Monday, the First day of March, A. D. 1886, at 9 o'clock in the forenoon to act on the following Articles, to wit :

ARTICLE 1. To Choose a Moderator to preside at said meeting.

ART. 2. To Choose all necessary Town Officers for the ensuing year.

ART. 3. To see if the Town will grant and raise such sums of money as may be necessary for the maintainance and support of Schools and the Poor and Repairs of Roads and Bridges, and to defray all other town charges for the ensuing year.

ART. 4. To hear and act upon the Reports of the Selectmen, Overseers of the Poor, Treasurer and Supervisor of Schools.

ART. 5. To see what the Town will allow per hour for the Labor of Men, Horses and Oxen on the Road.

ART. 6. To see if the Town will authorize the Assessors, to make such abatements as they think reasonable.

ART. 7. To see if the Town will make a Discount on Taxes paid within a given time and charge interest thereafter.

ART. 8. To see if the Town will authorize the Selectmen and Treasurer to hire money temporarily for the use of the Town in anticipation of taxes, provided the same be necessary.

ART. 9. To see what action the Town will take in regard the pay of Town Officers.

ART. 10. To see if the town will raise money for a Free High School, and how much.

ART. 11. To see if the town will authorize the Municipal Officers to quit-claim title to property held by the town under tax deeds by payment of taxes and charges by persons claiming to own such property.

ART. 12. To see if the town will vote to tax Dogs.

ART. 13. To see if the town will choose a Supervisor of Schools.

ART. 14. To see if the town will vote to raise money to reduce the town debt.

ART. 15. To see if the town will vote to authorize the Selectmen and Treasurer to issue notes or bonds for payment of debts of the town, maturing the present year.

ART. 16. To see what instruction the town will give the Treasurer in relation to the settlement of tax deeds.

ART. 17. To see if the town will authorize the Selectmen to purchase materials for the repair of roads and bridges.

ART. 18. To see if the town will vote to light the street from Libby's Corner, and appropriate money for the same, not to exceed One Hundred and Fifty Dollars (\$150.)

ART. 19. To see if the town will vote to light the street from Deering's Bridge to Morrill's Corner, and raise money for the same.

ART. 20. To see if the town will vote to remove the Town House and Offices to some location on the line of the horse railroad, and raise money for the same. By request of F. C. Bailey and others.

ART. 21. To see if the town will vote to raise the sum of Three Hundred Dollars to sprinkle the street from Deering's

Bridge to the Maine Central R. R. Station at Woodfords, provided the citizens will raise the sum of Four Hundred Dollars for the same purpose. By request of G. H. Blake and others.

ART. 22. To see if the town will vote to authorize the Selectmen to contract with the Portland Water Co. to place a Hydrant at some point at Libby's Corner, and raise money for the same.

ART. 23. To see if the town will vote to raise the sum of Five Hundred Dollars to purchase Fire Hose for the use of the town at Libby's Corner.

ART. 24. To hear and act upon the Report of the Committee chosen at the special town meeting held January 27, 1886, to take into consideration the introduction of Sebago Water throughout the thickly settled portions of the town, for Municipal purposes, domestic use and the protection of property from fire, and to report the estimated cost of introducing water for these purposes.

ART. 25. To see if the town will authorize the Selectmen to make a contract with the Portland Water Company for the introduction of water into the town under the proposition of said Company, made to the Committee chosen at the special town meeting, held January 27th, 1886.

ART. 26. To see if the town will authorize the Selectmen to contract with the Portland Water Company to place Hydrants at any point in the town, and raise money for the same.

ART. 27. To see if the town will vote to authorize the Selectmen to locate and cause to be erected a Hydrant on Fessenden street, or at the foot of Fessenden street on Forest Avenue.

ART. 28. To see if the town will vote to refund to the executors of the estate of F. O. J. Smith a sum of money equal in amount to the excess of interest paid by them on tax deeds held by the town. The excess of six per cent. being Twenty-one Dollars and Seventy Cents.

ART. 29. To see if the town will vote to repair and furnish the School House near the Bradley church; said House to be used for a Grammar School, and raise money for the same. By request of D. D. Chenery.

ART. 30. To see if the town will vote to finish and furnish the second story in the Deering Centre Primary School House, and raise money for the same.

ART. 31. To see if the town will vote to make changes in the interior of the School House at Woodfords, and raise money for the same, said sum not to exceed Three Hundred Dollars.

ART. 32. To see if the town will vote to purchase land to enlarge the play-ground at Morrill's Corner School House and raise money for the same. By request of the Supervisor of Schools.

ART. 33. To hear and act upon the reports of the Selectmen and Treasurer in relation to tax deeds.

ART. 34. To see if the town will vote to employ some person to take charge of the Engine House and fire apparatus at Woodfords, and raise money for the same.

ART. 35. To see what time in March the town will hold its annual meeting, and how it shall be notified.

The Selectmen will be in session at their office on Thursday, Friday and Saturday, the twenty-fifth, twenty-sixth and twenty-seventh days of February, A. D. 1886, to receive the applications of persons claiming the right to vote, and for correcting the voting lists.

Given under our hands this nineteenth day of Feb. A. D. 1886.

LEMUEL W. DYER, } *Selectmen*
 ALFRED R. HUSTON, } *of*
 SOLOMON STUART, } *Deering.*

To the Inhabitants of Deering:

The Committee chosen at the special town meeting held on the 27th of January, 1886, "to take into consideration the introduction of Sebago water throughout the thickly settled portions of the town for municipal purposes, domestic use, and the protection of property from fire, and said Committee to report at the March meeting the estimated cost of introducing water throughout the town, to be used for public buildings, school houses, watering troughs and hydrants," beg leave to report:

Pursuant to the vote of the town under which they were chosen, the Committee have procured from the Portland Water Company a plan and proposition for carrying out the objects set forth in said vote, which plan and proposition are herewith submitted and made a part of this report.

Under this plan and proposition, which fully set forth the whole matter, the hydrants would be set at an average distance apart of about 700 feet: in the more thickly settled places 500 feet: giving, as to public water supply, ample protection from fire along the lines of pipe.

In this proposition everything seems to your Committee fixed and determined, for the term of the proposed contract. At its expiration the relation of the Water Company to the town, as to water supply, is undetermined.

Your Committee would recommend that should the town not accept the proposition of the Water Company, the Selectmen be authorized to place hydrants at such points on the present lines of pipe, and on such lines as may be laid the present year, as in their judgment may be necessary and required to protect property from fire.

J. S. RICKER, *Chairman,*

For the Committee.

*To J. S. Ricker, Andrew Hawes, Emery S. Ridlon, John
Frye, Geo. M. Nelson, J. H. Hutchins and D. W. Hoeg,
Committee of the Town of Deering:*

GENTLEMEN:

In compliance with your request, we hand you a proposition for system of Water Works, and a supply of Water to the Town of Deering for the extinguishment of fires and for domestic use, as follows; viz:

FIRST. In addition to the water pipes now laid in said town, we agree to lay 18,000 feet of 8 inch and 17,000 feet of 6 inch Cast Iron Pipe, in the streets hereinafter enumerated, and as per plan herewith, with suitable gates and connections, and to furnish, set and maintain said line of pipes 50 Improved, Double-Nozzle, Non-Freezing Hydrants, and as many more as the town may hereafter contract for, and keep the same in repair, and furnish water for said Hydrants for fire purposes for the term of fifteen years, at a annual rental of \$50 for each Hydrant per annum, for the first 50 Hydrants, and \$30 per Hydrant, per annum for all Hydrants which may be required and set in addition thereto. All Hydrants set shall become the property of said town at the expiration of said fifteen years after setting.

The Water will be supplied to Woodford's Corner through a 12 inch main, now laid in Forest Avenue, to Ocean Street, from this point an 8 inch pipe will be extended through Ocean Street to East Deering, with branch pipes 6 inches in diameter on the cross streets, where Hydrants are required to be set.

From junction of Ocean Street, an 8 inch pipe will be extended through Forest Avenue to foot of Pleasant Street, thence through Pleasant Street to Stevens' Plain road, thence along said road to Morrill's Corner. From Morrill's Corner a 6 inch pipe will be laid through Forest Avenue to Oak Street, thence through Oak Street to Ocean Street, connecting with 8 inch pipe laid in Ocean Street, and lay 6 inch pipes in the cross streets where Hydrants may be required.

At the junction of Pearl Street and Forest Avenue, a 6 inch pipe will be laid through Pearl Street to High Street, near the residence of J. M. Adams, thence through High Street to Spring Street, and down Spring Street to near residence of B. H. Lewis.

Also a 6 inch pipe starting at junction of Mechanic and High Streets, through Mechanic and Deering Streets to Forest Avenue, there connecting with 12 inch main, and lay in Fessenden Street a 6 inch pipe from Forest Avenue to Deering Street.

Mains will be laid in such other streets where Hydrants may be located by said town, where there is no ledge, provided that for every 500 feet of pipe laid, a Hydrant shall be set and paid for according to the terms of this contract.

The work of laying the pipes will be carried on without any unnecessary inconvenience to the public, the streets to be left in good condition, to the satisfaction of the Selectmen, and will indemnify the town against any loss or damage that may occur by our fault, during the construction of the works.

SECOND. In consideration that said town shall enter into said contract with this Company, and the payment to us of the sum agreed upon, as rental for said Hydrants, we will supply water free for school and engine houses located on the lines of our pipes, also water for three public drinking fountains for man and beast, the water furnished as above specified shall be supplied and regulated according to the rules and regulations that may be established from time to time by this Company for its management.

The work of laying pipes to begin as soon as materials can be obtained, and to be completed before October 1st, 1886.

Payments by the town to begin January 1, 1887, and to be made semi-annually.

PORTLAND WATER COMPANY,

By GEO. P. WESCOTT, Treasurer.

PORTLAND, February 18th, 1886.
